Dr. Mario H. Salinas, Superintendent

Innovate Through Technology

March 26, 2021

Dear Edinburg CISD Staff,

It has been a year since we launched our Curbside Meal Pickup Program to provide healthy meals to feed children in our school community amid the COVID-19 pandemic. One year later, I am still amazed at how successfully the Child Nutrition Department staff could adapt and help our students during this challenging time. Over the past year, our school nutrition professionals and bus drivers have served over 6.5 million meals. Thank you to everyone for this outstanding accomplishment!

Although we can see the light at the end of the tunnel, the pandemic is not entirely behind us just yet. We still need to follow our ECISD Work Safe Plans and continue taking your COVID-19 tests as recommended.

A safe learning environment continues to be one of our top priorities as we welcome more students to on-campus instruction. A reminder that we are registering students for the upcoming school year. If you have students in our District, enroll them now online at register.ecisd.us.

I appreciate those of you who are watching the Superintendent's Perspective. We share a lot of information and provide some great insight during the program. This week's episode is incredibly insightful as we discuss the collaboration between the Board President and the Superintendent. You can see the latest show and our previous videos on our social media pages or our website at www.ecisd.us.

Please feel free to contact your principal, supervisor, or me if you have any questions.

Sincerely,

Dr. Mario Salinas
Superintendent
